

First-pass quotes, while the lead is still warm.

Reads inbound, drafts the quote, routes to sales for review. Calibrated to your historical patterns.

Hours → Minutes

PER QUOTE DRAFT

First-pass response while the lead is still warm.

— THREE WAYS IT IS USED

MSP inbound triage

Live with a UK MSP partner. Tiered quote drafted within an hour, sales reviews and sends.

Service business overflow

Fifty enquiries a week, ten quoted — without dropping accuracy.

Partner channel

White-label deployment for additional trades. Talk to us if you sell B2B quotes.
